

# OCCUPATIONAL SAFETY AND HEALTH STATEMENT

MBSB is committed towards the health, safety and well-being of our employees and relevant stakeholders. In line with the Occupational Safety & Health Policy and Occupational Safety & Health 1994 (Act 514) requirements and all its related regulations, we will take reasonable measures to prevent injuries and illnesses at our premises.

MBSB strives to:

**1.**

Provide and maintain our premises (buildings and branches) and systems of work that have no risks to safety and health.

**2.**

Make necessary arrangements including the allocation of sufficient time, budget and other resources in ensuring the safety and the absence of risks to health in connection with work activities.

**3.**

Provide information, instruction, training and supervision to ensure the safety and health of employees at work.

**4.**

Safe means of access and exit during the provision of maintenance at premises without any health risks.

**5.**

Develop and implement procedures on dealing with emergencies that may arise while employees are at work.

Managers are responsible for ensuring this Health & Safety Policy is being communicated and incorporated in our day-to-day operations, whilst all employees are responsible to adhere to the MBSB's health and safety requirements.
